small branches and prunings

food scraps

rocks and dirt

grass clippings

**clean, loose green waste only!**

large logs

CITY OF ROME

GREEN WASTE AND BRUSH COLLECTION

The Department of Public Works will continue to collect green waste in the inside district based on the schedule below. Green waste will be collected on the day before your regular rubbish collection day. For example, if your rubbish day is Tuesday, your green waste will be collected on Monday. This schedule will continue until our leave collection schedule begins which is approximately October 31, 2011. During the week of Labor Day green waste collection will be on the same day as garbage collection.

Green waste should be placed in either (5) five 33 gallon containers or plastic bags. Each container should not weigh more than 50 pounds. Shrubbery, branches, and limbs should be no longer than four feet in length and should be tied or bundled. Please remember that foreign material such as paper or garbage should not be comingled with green waste. Also, please do not place stones, concrete, blacktop or animal feces in the green waste containers.

In addition to green waste collection the City of Rome will also be providing brush collection from October 17th through October 28th. Larger loose branches and limbs will be collected along with small shrubs. The amount of brush will be limited to two cubic yards per residence.

Additionally, the City of Rome's new green waste disposal location is available for green waste disposal for all City of Rome residents. The new facility located just off of E. Dominick Street will process this material into a beneficial use product. The normal working hours for the facility will be 7:45 AM to 3:30 PM Monday through Saturday. A map of the new location is on the reverse.

If you have any questions please feel free to call 339-7778.
